**Subject:** Application for Frontend Developer Intern

Dear sir,

I am writing to express my interest in the **Frontend Developer Intern** position at FourBtech. As a passionate and dedicated web developer with hands-on experience in **HTML, CSS, JavaScript, and React.js**, I am eager to contribute my skills to your team and gain valuable industry experience.

During my learning and project experience, I have developed responsive and interactive web applications, focusing on **user experience, performance, and modern design practices**. I have also worked with **API integrations, state management, and dynamic UI components**, which aligns well with your company's focus on creating engaging web solutions.

I am particularly drawn to FourBtech because of your commitment to **innovative web technologies and user-centric design**. I am confident that my technical skills, creativity, and willingness to learn make me a strong candidate for this internship. I am eager to contribute to real-world projects while further developing my skills under the guidance of your experienced team.

Enclosed is my resume for your review. I would welcome the opportunity to discuss how my skills and enthusiasm can benefit FourBtech. Thank you for considering my application. I look forward to the possibility of contributing to your team.

Sincerely,  
Durjoy Chando
